The JEAN MOSS book of WORLD KNITS Corrections & Clarifications

DAJAN

Slipper Socks

Page 94 - On chart rows75, 79, 83, 87, 88, 90 and 91 symbol should be a solid circle(not a thick plus sign). On rows 73, 77 and 81 the H symbol should be a bow.

MAYA Jacket

- 1 Colour K is to be found on Charts 1,2 and 3 opposite colour J, making up a triangle. Colour G is also difficult to read, opposite colour F.
- 2 Chart 2 is not the border at bottom of sweater, but the yoke at the top (very confusing that the publishers have called it the border). They have also printed chart 1 as a mirror image of itself and the C, B, B above the border should not be there, as the colour sequence ADBDCADBDC on p 100 should be followed.
- 3 Chart 1 is completely wrong. Please contact us for a corrected copy.

Throw

Pages 108-109 Rows 1 - 58 Chart in book is incorrect and very difficult to read.

Symbol which looks like a solid square with a chunk absent (in book) is meant to be a diamond , and the mirrored version (in book) of same symbol should be a triangle (see below).

Page 110 - Pattern is incorrect .

Corrected Throw pattern

Using 5mm (US 8) circular needle and Colour D, working back and forth (not in the round), cast on 274 sts and then refer to chart and work thus:

Moss stitch in COLOUR D - 7 sts, then refer to chart and work the 78 sts across row 3 times, then work the first 26 sts, then work 7 sts in moss st in COLOUR D - 274 sts.

When 58 rows are completed, refer to diagram below for sequence of stripes acrossblanket. Stripes begin on row 59 and increase in width every row until each stripe is 26 sts wide.

D A B D C A B D C A D

Working pattern for stripes as set above, repeat rows 71 and 72 of chart until work measures 76" from cast on edge. Then keeping colours of stripes correct as set, work rows 73 - 142 of chart and then cast off in Colour E.

FINISHING

Make a fringed edging along the cast on and cast off edges:

Place the fringes equidistant along the edges, making four fringes for every stripe and two or three fringes for narrower edging stripes.

Make all fringes in **Colour E**. Take 6 strands of 30" long, so that when the fringe is on the blanket there are 12 strands of yarn each measuring approx 14". Using large crochet hook, insert it from WS to RS so that when pulled through there is a piece of yarn across the top of each fringe. When all fringes are on blanket, there should be an even number. Make 4 rows of knots by taking 6 strands from one fringe and tying them to 6 strands in the next fringe across the row (leave the first and last 6 strands loose on the first row of knots). Repeat this process starting and ending with the 6 loose strands. Repeat the first row of knots - see diagram.
